## YOUR PRIVATE TERMINAL

Private flights at Alicante-Elche Miguel Hernández Airport are normally handled through the general aviation apron at gate A, about 9 km from Alicante city. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Open 24 hours, but a slot is mandatory for all private and business flights, requested no more than 15 days ahead. A handling agent is compulsory. Aircraft over 23 m wingspan need assisted-departure equipment.

## ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (General aviation apron at gate A) — **03195** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
