YOUR PRIVATE TERMINAL

Private flights at Le Castellet Airport (Paul Ricard) are normally handled through the business aviation reception with VIP lounge, parking, hangars and crew accommodation, serving Le Castellet. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. This is a domestic-flight airfield — for international trips we route you through a customs-equipped airport nearby. No flights from or to non-Schengen countries. Instrument flights must contact the airport the previous day before 15:00. Outside published hours the site cannot be entered or left. Next to the Paul Ricard circuit.

PPR Prior permission required — arranged by Charter-A with every booking

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Business aviation reception with VIP lounge, parking, hangars and...) — **83330** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
