YOUR PRIVATE TERMINAL

Private flights at Aarhus Airport are normally handled through Larger business aircraft park in the general aviation area, about 39 min by car to central Aarhus. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. The airport is in Kolind, about 35 km north-east of Aarhus. Flights outside the published hours need prior permission. Customs arrangements are not published, so confirm with the handling agent before an international flight.

HANDLING Aarhus Handling

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Larger business aircraft park in the general aviation area) — **8560** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
