YOUR PRIVATE TERMINAL

Private flights at Aberdeen International Airport are normally handled through Signature and Primeflight FBO facilities, serving Aberdeen. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Customs/Immigration on site 0700–2300 local; non-scheduled (charter/GA) flights require prior arrangement with a minimum of 24 hours' notice. Fixed-wing movements 2300–0600 local are restricted to quieter (QC4 or below) aircraft.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Signature and Primeflight FBO facilities) — **AB21 7DU** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
