YOUR PRIVATE TERMINAL

Private flights at Aix-en-Provence – Les Milles Aerodrome are normally handled through ExecuJet FBO, serving Aix-en-Provence. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. This is a domestic-flight airfield — for international trips we route you through a customs-equipped airport nearby. Light and mid-size jets only (1,604 m runway). No customs, so international arrivals should use Marseille Provence. Handling and prior notification mandatory for all aircraft of 3 tonnes or more.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (ExecuJet FBO: passenger lounge, crew lounge, parking, fuelling and...) — **13290** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
