YOUR PRIVATE TERMINAL

Private flights at Ålesund Airport Vigra are normally handled through the private passengers are met by the handling agent, about 11 km north-west of Ålesund. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Aircraft with wingspan above 61 m or length above 63.7 m are not accepted. The airport is quiet after 23:30 local because the control tower closes.
