YOUR PRIVATE TERMINAL

Private flights at Schönhagen Airfield are normally handled through Airfield terminal with conference room, about 54 min by car to central Berlin. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Business-aviation airfield south of Berlin, with a regional express train (RE3/RE4) to Berlin. Customs and border clearance must be booked in advance by phone; same-day requests by email or fax are not accepted.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Airfield terminal with conference room) — **14959** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
