YOUR PRIVATE TERMINAL

Private flights at Biarritz Pays Basque Airport are normally handled through the dedicated business aircraft terminal with VIP and crew lounge and direct access to the…, about AIP: 0.8 NM south-east of Biarritz. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Parking is limited: 48 hours' prior permission required. Handling is mandatory on the main aprons; the south apron is limited to 15 m wingspan.
