YOUR PRIVATE TERMINAL

Private flights at Bournemouth Airport are normally handled through XLR Executive Jet Centre – dedicated business-aviation terminal on Northeast Business Park, approx. 4 miles north of Bournemouth. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. PPR for all aircraft; all visiting commercial and executive aircraft are subject to compulsory handling. The airport is 1 mile west of the A338 (A31 from the M27/M3).

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (XLR Executive Jet Centre – dedicated business-aviation terminal on...) — **BH23 6SE** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
