YOUR PRIVATE TERMINAL

Private flights at Brussels South Charleroi Airport are normally handled through the dedicated Executive Aviation Terminal at Rue des fusillés 21, Jumet, with passenger..., about 52 min to Brussels centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Low-cost-carrier airport about 50 minutes from Brussels by road, with its own executive terminal. Airport business aviation handles aircraft up to 45.5 tonnes.

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Dedicated Executive Aviation Terminal at Rue des fusillés 21, Jumet...) — **6040** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
