## YOUR PRIVATE TERMINAL

Private flights at Bucharest Băneasa Aurel Vlaicu Airport are normally handled through the vIP terminal for private passengers, about 13 min by taxi to Bucharest city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. The city-side business aviation airport, 8.5 km north of the centre. No slot is required, but the airport asks operators to contact its administration before planning it as a destination.

## ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (VIP terminal for private passengers) — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
