## YOUR PRIVATE TERMINAL

Private flights at Cherbourg – Manche Airport are normally handled through the airport FBO and handling for business and leisure aircraft., serving Cherbourg. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Handling mandatory for aircraft of 3 t or more, booked via the MyHandling portal. Fuel outside hours on 1 hour's notice for commercial flights and air ambulance. Radio required.
