YOUR PRIVATE TERMINAL

Private flights at City of Derry Airport are normally handled through CoDA Corporate & General Aviation centre with the Amelia Earhart Business Lounge, approx. 10 min from Derry-Londonderry city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. About 10 minutes by car from the city centre, with a dedicated corporate aviation centre, business lounge, chauffeur on request and hangarage.

HANDLING City of Derry Airport Corporate Aviation

PPR Prior permission required — arranged by Charter-A with every booking

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (CoDA Corporate & General Aviation centre with the Amelia Earhart…) — **BT47 3GY** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
