## YOUR PRIVATE TERMINAL

Private flights at Clermont-Ferrand Auvergne Airport are normally handled through the dedicated business terminal separate from the commercial terminal, serving Clermont-Ferrand. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. This is a domestic-flight airfield — for international trips we route you through a customs-equipped airport nearby. Handling is mandatory for business flights above 3 tonnes.

## ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Dedicated business terminal separate from the commercial terminal) — **63510** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
