YOUR PRIVATE TERMINAL

Private flights at Farnborough Airport are normally handled through Farnborough Airport terminal – a single dedicated business aviation terminal, under 60 min by car from central London. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. PPR through Farnborough Airport Operations; no operations outside published hours (weekends 08:00–20:00). Complimentary secure parking with EV charging outside the terminal; Aviator hotel adjacent; approved for pet travel.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Farnborough Airport terminal – a single dedicated business aviation...) — **GU14 6XA** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
