YOUR PRIVATE TERMINAL

Private flights at London Gatwick Airport are normally handled through Signature London Gatwick private aviation terminal, Sussex Suite, Queens Gate Road..., about trains to central London approx. 30 min. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated single-runway airport – runway slots are needed for arrival and departure; helicopter and light-aircraft operations restricted. We use Gatwick when a slot is available, otherwise Biggin Hill or Farnborough.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Signature London Gatwick private aviation terminal, Sussex Suite...) — **RH6 0NP** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
