YOUR PRIVATE TERMINAL

Private flights at Graz Airport are normally handled through the general Aviation Center with its own security, customs and passport control, a crew..., about 9 km south of Graz city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Fuel is supplied by Air BP (Jet A-1 and Avgas 100LL; payment by cash or BP card only, credit cards are not accepted). VIP room can be booked through the General Aviation Center on +43 316 2902 325.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (General Aviation Center with its own security, customs and passport...) — **8073** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](https://www.exec-chauffeur.com) — timed to your aircraft, so if your flight moves, your car moves with it.
