YOUR PRIVATE TERMINAL

Private flights at Humberside Airport are normally handled through Weston Aviation Business Aviation Centre – passenger lounge, crew lounge, customs fast..., serving Grimsby. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Hire-and-reward flights, international flights and aircraft above 3 tonnes must use an approved handling agent – Weston Aviation for business aviation. The FBO's hours are shorter than the airport's; extensions cost extra.

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Weston Aviation Business Aviation Centre – passenger lounge, crew...) — **DN39 6YH** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
