YOUR PRIVATE TERMINAL

Private flights at Ivalo Airport are normally handled through the private flights use the main airport. Handlers, about 11 km from Ivalo. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Finland's northernmost airport, with no hangar or repair facilities for visiting aircraft. Jet intersection take-offs are prohibited 1 November–31 March.
