YOUR PRIVATE TERMINAL

Private flights at Jersey Airport are normally handled through Gama Aviation FBO, Beauport House, L'Avenue de la Commune, St Peter JE3 7BY – VIP..., serving St Helier. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. All flights except GA must notify ACL slot coordination; crews and passengers on remote stands wait at the aircraft for handler transport. A decarbonisation charge applies to corporate and general aviation.

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Gama Aviation FBO, Beauport House, L'Avenue de la Commune, St Peter...) — **JE1 1BY** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
