YOUR PRIVATE TERMINAL

Private flights at Karlovy Vary Airport are normally handled through the private aircraft park on the west apron. Handling covers passenger and crew transfer..., serving Karlovy Vary. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Jet A-1 is available, by credit card only. De-icing and hangar space are available on request. Older, noisier aircraft that do not meet modern noise standards may not land or take off.

ARRIVING FOR YOUR FLIGHT

- Your driver should navigate to the private terminal (Private aircraft park on the west apron. Handling covers passenger...) — **36001** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
