YOUR PRIVATE TERMINAL

Private flights at Kortrijk-Wevelgem Airport (Flanders International Airport) are handled by Flanders International Airport, about 15 min to Kortrijk centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Handling by the FBO is compulsory for visiting aircraft over 2 tonnes. Flights outside 06:00–21:00 local need prior permission; jet fuel is available 24 hours on request with extra cost at weekends and holidays.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal — **8560** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](https://www.exec-chauffeur.com) — timed to your aircraft, so if your flight moves, your car moves with it.
