YOUR PRIVATE TERMINAL

Private flights at Košice International Airport are handled by Letisko Košice, about Distance: about 6 km south of Košice cathedral. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. No noise restrictions apply. Jet A-1 is available around the clock; hangar space for visitors is limited and arranged by agreement.
