YOUR PRIVATE TERMINAL

Private flights at Kraków John Paul II Airport are normally handled through the general aviation handled by Excel Handling and LS Airport Services, about 11 km west of the city centre from Kraków. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Fuel is available from two suppliers on site. A business lounge and conference room are offered at the airport.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (General aviation handled by Excel Handling and LS Airport Services) — **32-083** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](https://www.exec-chauffeur.com) — timed to your aircraft, so if your flight moves, your car moves with it.
