YOUR PRIVATE TERMINAL

Private flights at Leeds Bradford Airport are normally handled through Multiflight South Side Aviation Centre LS19 7UG – dedicated apron, corporate passenger…, serving Leeds. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Handling is mandatory – Multiflight handles business aviation on the south side, well away from the passenger terminal. Customs for private flights is arranged through the FBO.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Multiflight South Side Aviation Centre LS19 7UG – dedicated apron…) — **LS19 7TU** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
