YOUR PRIVATE TERMINAL

Private flights at Linköping City Airport are normally handled through Visiting aircraft park at the terminal with prior permission, about 9 min by car to Linköping. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Prior permission is required for all visiting aircraft, which must be requested by phone or e-mail. About 4 km east of Linköping.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Visiting aircraft park at the terminal with prior permission) — **582 54** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](#) — timed to your aircraft, so if your flight moves, your car moves with it.
