YOUR PRIVATE TERMINAL

Private flights at Lorient – Bretagne Sud Airport (Lann-Bihoué) are looked after by the airport's handling team, serving Lorient. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Prior permission 24 hours for national and 48 hours for international flights. Flight plan mandatory for non-based aircraft; handling compulsory over 3 t. Confirm civil terminal arrangements with the airport.

- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
