YOUR PRIVATE TERMINAL

Private flights at Lydd Airport are normally handled through Lydd Airport terminal / Fal Aviation FBO – VIP meet and greet, pilot lounge, crew rest..., about 40 min by helicopter to London. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Strictly PPR for all arriving aircraft; the closest UK airport to continental Europe (24 nm from France) – often the first and last stop in UK airspace; direct M20 access; 24-hour fire service and hangarage.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Lydd Airport terminal / Fal Aviation FBO – VIP meet and greet, pilot...) — **TN29 9QL** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](https://www.exec-chauffeur.com) — timed to your aircraft, so if your flight moves, your car moves with it.
