YOUR PRIVATE TERMINAL

Private flights at Madeira Airport (Funchal) are normally handled through the private passengers are met by an executive handler, about 3–23 km to hotels in the Funchal area. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated airport with a shortage of aircraft parking, so a parking request is mandatory. Strong crosswinds and gusts can limit landings and cause diversions. Landings and take-offs are barred between 00:00 and 06:00 local.
