YOUR PRIVATE TERMINAL

Private flights at Manchester Airport are normally handled through Signature Manchester – Business Aviation Centre, Faireys Way, Hangar 7, approx. 20 min from central Manchester. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated airport – slots via Airport Co-ordination Ltd and a nominated handling agent is mandatory for all visiting aircraft, so lead time matters. Signature offers in-FBO customs clearance.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Signature Manchester – Business Aviation Centre, Faireys Way, Hangar 7) — **M90 1QX** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
