YOUR PRIVATE TERMINAL

Private flights at Milan Bergamo Airport (BGY Executive) are normally handled through BGY Executive, the airport's dedicated business aviation service, run by two independent..., about 5 minutes to Bergamo. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. Private aircraft must obtain parking permission before arrival through the online request form (times given in UTC), choosing one of the listed handling agents.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (BGY Executive, the airport's dedicated business aviation service...) — **24050** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
