YOUR PRIVATE TERMINAL

Private flights at Milan Linate Airport (Milano Prime business aviation terminal) are normally handled through Milano Prime business and general aviation terminal at Viale dell'Aviazione 65, with a..., about 8 km from central Milan. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Milan's city airport, the closest of the Milan airports to the centre. Business and private flights use the separate Milano Prime terminal rather than the main passenger terminal.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Milano Prime business and general aviation terminal at Viale...) — **20138** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner [exec-chauffeur.com](https://www.exec-chauffeur.com) — timed to your aircraft, so if your flight moves, your car moves with it.
