YOUR PRIVATE TERMINAL

Private flights at Mönchengladbach Airport are normally handled through Premium handling with business lounge run in partnership with Porsche Centre Willich., about 13 min by car to Mönchengladbach city. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. General aviation and corporate airport without scheduled airline traffic. Extended-hours requests go to airport operations (vkl@mgl.de). Jet A1 fuel 07:00–19:00.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Premium handling with business lounge run in partnership with...) — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
