YOUR PRIVATE TERMINAL

Private flights at Newcastle International Airport are normally handled through the Samson Aviation Terminal, south apron NE13 8BT, serving Newcastle upon Tyne. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. PPR aerodrome; all aircraft handled by Samson are fuelled by Samson (out-of-hours surcharge applies). Samson won FBO Member of the Year at the 2025 Paragon Awards – the first FBO outside America to do so.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (The Samson Aviation Terminal, south apron NE13 8BT) — **NE13 8BZ** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
