YOUR PRIVATE TERMINAL

Private flights at Norwich Airport are normally handled through SaxonAir Business Aviation Centre NR6 6JT – dedicated ramp and handling, passenger..., serving Norwich. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Strictly PPR – all requests go through Operations, and movements outside published hours attract an extra charge. Shorter winter hours (Saturday closes 20:00 local) matter for evening returns.
