YOUR PRIVATE TERMINAL

Private flights at Nuremberg Airport (General Aviation Terminal) are normally handled through the separate General Aviation Terminal with lounge, WiFi, hotel, limousine and rental-car..., serving Nuremberg. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. The GAT is open shorter hours than the main airport, especially at weekends (08:30–18:00).

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Separate General Aviation Terminal with lounge, WiFi, hotel...) — **90411** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
