YOUR PRIVATE TERMINAL

Private flights at Podgorica Airport are normally handled through the private flights use the VIP terminal with VIP lounges, quick passage through security..., serving Podgorica. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Private flights must send a handling request to the airport operations centre (ops.tgd@apm.co.me) at least 36 hours ahead, with aircraft type, registration, maximum take-off weight, route and times.
