YOUR PRIVATE TERMINAL

Private flights at Ponta Delgada Airport (João Paulo II) are normally handled through the private flights are supervised by an executive handler, about 4–16 km to hotels in the Ponta Delgada area. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated airport. Opening an hour early has to be requested by 12:00 local the day before. Aircraft over 80 tonnes must turn around on the runway turn pads.
