YOUR PRIVATE TERMINAL

Private flights at Lajes Airport (Terceira) are normally handled through the civil flights use the civil terminal, about 15 km north-east of Angra do Heroísmo. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Every civilian flight needs prior permission (emergency and medical flights excepted). The airfield is shared with a military air base. The civil apron takes aircraft up to 36 m wingspan.

ARRIVING FOR YOUR FLIGHT

- Your driver should navigate to the private terminal (Civil flights use the civil terminal) — **9760-251** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
