YOUR PRIVATE TERMINAL

Private flights at Tours Val de Loire Airport are normally handled through FBO services and pilot facilities run by the airport operator., serving Tours. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Parking apron for daytime use only with mandatory assistance; openings outside staffed hours need 48 hours' notice. De-icing October–April.
