YOUR PRIVATE TERMINAL

Private flights at Trondheim Airport Værnes are normally handled through the private passengers are met by the handling agent, about 28 km east of Trondheim city. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. A slot (prior approval) is mandatory for all instrument and visual flights including business aviation, with 48 hours' notice requested. Shared with the Norwegian air force; military traffic needs separate permission.

- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
